

Disney's
BEAUTY
AND THE
BEAST

Is coming to DMS this fall, and we want you to be a part of it!

Do you like to sing, act or dance?
Do you enjoy performing for an audience?

OR

Would you prefer working "behind the scenes" designing and building sets and scenery?

How about working with the stage crew?

Or are you interested in lighting and sound production?

If you said **YES** to any of the above, then we look forward to working with you! That's right, the directors of the Dorseyville Middle School fall musical want **you** to get involved in the upcoming production of *Disney's Beauty and the Beast, Jr.* Plan to attend the informational meeting during homebase the first week of school. Listen for the announcement during morning homebase for more information. We hope to see you there! 😊
