

October 2, 2009

Dear Fairview Families,

The Fox Chapel Area School District adopted Edline as a one-stop-shop source for the sharing of school-related information and to limit the use of paper in our communication. To align itself with the school district plan, **Fairview's last paper copies of the Friday Folder packet will be distributed on Friday, December 18, 2009, and it will be the last day that our Friday Folder packet will be posted on Fairview's website.** Our paper Friday Folder packets (which consume a multitude of trees) can be easily posted and accessed via the Edline system. Posting the Friday Folder packets on Edline allows us to get our information out quickly and efficiently, while lightening the bookbags, saving the environment and sharing school-related information with only those in our school community.

With this plan in mind, I encourage you to sign-up for Edline as soon as possible. To allow ease of access, please know that families are able to have a single sign-in and password for all of their children, regardless of school assignment levels. Should you have difficulty or need help with securing your login and password, or with aligning your children's accounts, please contact our computer teacher, Mrs. Lang. Mrs. Lang is more than happy to assist you in setting up your account.

We appreciate your support as we work to increase our home and school communication and decrease our paper consumption.

Sincerely yours,

Sari McNamara
