

Pop Open a Good Book

The Hartwood PTO is sponsoring its 10th Annual Summer Reading Program! We have added some extra incentives for those students who "Pop Open a Good Book" and read this summer. Did you know *Charlotte's Web*, *Holes* and *Homeward Bound* are books that were made into movies? Grab some friends, enjoy some popcorn, and relax reading books that may become the next blockbuster movie.

The top three readers (based on number of pages read) in each grade will receive a free movie pass to an area cinema. Students who read the minimum number of pages for their grade level will receive a \$4.99 voucher to the fall book fair. Everyone who participates will receive a free recess and popcorn in September, as well as have their name added to a display in the lobby.

We would love to have record-breaking numbers participate this year! On the reverse side log the book title and number of pages you read. If you start a book and decide you don't want to finish it, that's ok, just write down how many pages you read. You can include magazines, newspapers, poetry, riddles...anything.

To receive the book fair voucher students entering K-2 must read (or have read to them if going into K-1) at least 800 pages. Students entering grades 3-5 must read at least 1000 pages. That may sound like a lot, but it equals reading just 12-15 pages per day, including a week's vacation from reading.

The PTO summer reading program can be done in conjunction with the Lauri Ann West Library, Barnes & Noble, and other summer programs. Feel free to attach additional pages if you fill up the log on the back. At the very end of your list circle in red your total number of pages to make it easier on the volunteers. Return the reading log to your teacher by August 28, 2009.

Have fun reading!

First & Last Name _____

Teacher's Name during 2009-2010 school year _____

Title	# of pages
1. _____	
2. _____	
3. _____	
4. _____	
5. _____	
6. _____
