B. Information

• Students Candidates in Presidential Scholars Program

Five Fox Chapel Area High School seniors have been named candidates in the 2020 United States Presidential Scholars Program. The students are **Hanna Chen, J. Oliver Choo, Rajeev Godse, Sina Shaikh, and Aaron Wu**. More than 4,500 students from across the U.S., from nearly 3.6 million students expected to graduate from the nation's high schools in 2020, have been named candidates in this year's program. A total of 118 are from Pennsylvania.

Inclusion in the Presidential Scholars Program, begun in 1964, is one of the nation's highest honors bestowed upon graduating high school seniors. Students are first selected for the program based on superior academic achievements. They are then also evaluated on their leadership qualities, strong character, and involvement in community and school activities.

About 600 students will be selected as Semifinalists in the program, and then students chosen as Scholars will be notified this spring. Each year, up to 161 students are named U.S. Presidential Scholars. Scholars will be invited to Washington, D.C., in June for an expense-paid trip to the National Recognition Program, featuring various events and enrichment activities, and culminating in the presentation of the Presidential Scholars Medallion during a White House-sponsored ceremony.

• Students Named 2020 National Merit® Finalists

Thirteen Fox Chapel Area High School seniors have been designated as National Merit Finalists in the 2020 National Merit Scholarship Program conducted by the National Merit Scholarship Corporation (NMSC). The Finalists from Fox Chapel Area High School are **Paige Asbury, Amelia Bothe, Hanna Chen, J. Oliver Choo, Hazel Cline, Claire Fenton, Rajeev Godse, Noah Hertzman, Christiana Paljug, Sina Shaikh, Jake Sperry, Felix Vesper, and Aaron Wu**.

These Fox Chapel Area High School students were named Semifinalists in September 2019 and have met all the requirements to advance to Finalist standing in the competition for National Merit Scholarships which will be announced this spring. The students are selected as Finalists based on their Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) scores and other factors, including SAT scores, a student essay, a school recommendation, and having an outstanding academic record throughout high school.

Each year college-bound 11th grade students complete the PSAT/NMSQT. All the students who take this test are automatically enrolled in the National Merit Scholarship Program and approximately 15,000 advance to become Finalists. The Finalists represent less than one percent of the nation's high school seniors and compete for some 7,500 Merit Scholarships worth more than \$31 million to be offered in the spring of 2020.

The NMSC is a privately financed, not-for-profit corporation.
