MATH IS NO PROBLEM FOR HARTWOOD STUDENT AND HER CLASSMATES

Fourth-grade students at Hartwood Elementary School put up great numbers in a recent nationwide math competition.

Charlene Xu

Charlene "Cici" Xu finished in the top 1% of all 26,524 students who competed in last week's National Sumdog Competition.

Cici answered 978 of 1,000 questions correctly.

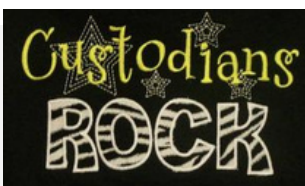

Mrs. Leah Rea's class as a whole, of which Cici is a member, finished in the top 10% overall in the contest, which is held three times a year.

"I'm so proud of Cici's determination to complete all of the questions and get so many of them correct," Mrs. Rea says.

A LENS ON LEARNING

Some of Mrs. Mairi Cooper's orchestra students at Fox Chapel Area High School recently traveled to Indiana University of Pennsylvania to work with conductor Leonard Slatkin. Among his many roles, Mr. Slatkin is the music director laureate for the Detroit Symphony Orchestra. He was serving a weeklong residency at IUP.

National Custodian Day is celebrated during the first week of October. We thank our school custodians for all that they do for us (which is a lot)!
