4. Guidelines  
Pol. 801

Applications and supporting documentation for waivers applied for and those currently in force, as well as approval notices from the Secretary of Education, shall be public records maintained permanently by the Board Secretary and shall be made available for public inspection and copying, in accordance with Board policy.

When amendments to adopted Board policy or existing administrative procedures are necessary or appropriate in order to effectively implement the waiver, the final recommended application presented to the Board and final solicitor's review shall be accompanied by specific language for proposed policy revisions and information about associated changes in administrative procedures.

Except where clearly not pertinent nor appropriate, all bid specifications; requests for proposals and quotations; and similar documents shall contain language advising that:

1. The effect of laws, regulations or standards otherwise applicable to the district may have been altered by virtue of a waiver under Act 16.
2. It is the responsibility of persons contemplating doing business with the district to be familiar with waivers in force or applied for as listed in district records.

The district shall maintain a current listing of all waivers in effect in the district, which shall be updated by the administration as each new waiver is placed into effect. For each waiver listed, the following information shall be specified:

1. Cite to the provisions of law waived.
2. Effect of the waiver.
3. Original effective date and renewal date of permanently renewed waivers.
4. Cross-reference to Board policies or administrative procedures reflecting implementation of the waiver.

Suggestions for waiver applications may be submitted by any Board member, staff member, student, resident or taxpayer of the school district. All suggestions must be in writing and submitted to the Superintendent, except that staff proposals shall be routed through the chain of command, with comments or recommendations from supervisors and administrators.
