Electronic Bidding

The Board may receive bids electronically for competitive contracts, except for construction and design services, in compliance with applicable laws and Board policy.[3][4]

The district shall electronically maintain the confidentiality of the bid until the bid opening.[4]

Competitive Electronic Bidding

The Board may adopt a resolution approving the use of competitive electronic bidding for contracts for supplies, but not for construction or design services.[3][5]

An invitation for bids shall be issued and shall include:[5]

1. Procurement description.
2. All contractual terms, when practical.
3. Conditions applicable to procurement, including a notice that bids will be received in an electronic manner.

Public notice and advertisement of the invitation for bids shall be given in the manner required for non-electronic bidding.

Bids shall be accepted electronically at the time and in the manner designated in the invitation for bids.

At the conclusion of the electronic bidding process, the record of the bid prices received and the name of each bidder shall be open to public inspection.

After the bidding period has expired, the district shall grant in writing withdrawal of a bid when the bidder requests relief and presents credible evidence of a clerical mistake due to reasons permitted by law, within the time period established by the district.

The contract shall be awarded within sixty (60) days of the electronic bid by written notice to the lowest responsible bidder, or all bids may be rejected. Extensions of the award date may be made by written, mutual consent of both parties.

Delegation of Responsibility

Bid specifications shall be prepared by the Business Manager.

Bid specifications shall provide for alternates wherever possible.

The Business Manager shall combine like items of supply and material whenever it is feasible and permissible under law and shall not split purchases to avoid requirements for bidding.[1][2]

Bids shall be opened publicly before one (1) or more witnesses at a previously designated time and place.

Contracts shall be awarded to the lowest responsible bidder upon resolution of the Board, unless the Board chooses to reject all bids.[2]

The Board recognizes that emergencies may occur when imminent danger exists to persons or property or continuance of existing school classes is threatened, and time for bidding cannot be provided because of the need for immediate action. Bidding decisions in the event of such emergencies shall be made in accordance with existing legal requirements.[1]
