Dear Parents and Guardians,

The Fox Chapel Area School District is continuing its Pre-Kindergarten program for the 2022-2023 school year. This will be the fourth year for the Pre-Kindergarten program, which is housed at Kerr Elementary School in O'Hara Township (341 Kittanning Pike, Pittsburgh, PA 15215). The program is open to students who turn 4 on or before September 1, 2022.

The Pre-Kindergarten program will run from 8:30 a.m. to 3 p.m. Monday through Friday and will consist of a 4-year-old classroom with 20 students. **Students must meet certain eligibility requirements, which are detailed below.** The program will have a classroom teacher and an instructional assistant. All students must be toilet-trained. Training pants are NOT permitted, and children MUST be able to use the bathroom without adult assistance. Parents/guardians **must** be able to provide transportation to and from school. The program requires a five-day-a-week commitment. The district's policy states that after 10 absences, a child may be withdrawn from the program.

Please note that students are eligible for this program based on their family's income. To be eligible for the program, the family's income must be below the 300% poverty level for the size of the family. Please reference the chart below. If your income is above these guidelines, your child will not be eligible for the program.
